

## SAN JUAN MARRIOTT SIGHTSEEING FOR THE SELECT FEW

We feel strongly about offering you the best and most complete sightseeing product. The schedule below reflects our philosophy in that area. After careful evaluation of Puerto Rico's traditional tour product, we have enhanced our activities to ensure a memorable experience for you. Almost every single activity offered here has some added dimension to it: the low impact hike in the rainforest; and the extra care we take in selecting luncheon venues on the Ponce and Camuy Caverns outings. We use only the best of San Juan's driver/guides on the tours that we offer so book early to make sure you are included in the trips that are of most interest to you.

The Tour Desk opens daily from 8:00 AM to 9:00 PM. Join us and experience the many facets of our unique island. You can call the tour desk from your room – Ext. 6523.
