

ST. MARY'S UNIVERSITY – THE SCHOLAR: ST. MARY'S LAW REVIEW ON RACE AND SOCIAL JUSTICE IMMIGRATION SYMPOSIUM

Posted on [February 3, 2016](#)

I just wanted to take the opportunity to spread the word about the Scholar's annual Symposium. This year's theme is **Immigration Law at a Crossroads: The Path Forward**. There will be several speakers, among them Barbara Hines, Steven Schulman, and Dennis Windscheffel, who have all been involved in the work at Karnes to end family detention. It's a great way to earn CLE credits and support fellow advocates in the fight to end family detention. Please mark your calendars for **Friday, February 26th from 9-5 in San Antonio**.

To register, please visit: <https://easypath.ecsi.net/stmarytx/825/Epay?pId=819>. We hope to see you there!

Thank you!!

Best regards,
