Finally headed home after our presentation. [George](#) and I presented together for the first time in many years. We both speak on immigration related issues all the time but never together. It was a challenge for both of us. We literally put the finishing touches on the presentation about 15 minutes before taking the stage. We weren't even sure we were going to be able to make it work. Thankfully, it worked and once we began the session, I immediately felt the comfort of working with the person who knows me the best. It was probably one of the most enjoyable presentations we have ever done. Thanks to all our friends who participated in our attempt to make immigration law fun and interesting.

The lovely and resplendently matching [Jan Pederson](#) and [Lisa Sotelo](#), my copresenter and TX AILA Chapter Conference Chair, respectively. Yes, that is UT orange, folks. Jan and I rewarded attendees with a spirited discussion of Section 212(d)(3) nonimmigrant waivers of inadmissibility. Many thanks to Lisa and [Jacqueline Watson](#) for putting on a great conference! Big win! Court grants preliminary injunction in MALDEF's challenge to Texas HB 11's immigrant harboring provision, which targets immigrant shelters and landlords who rent to undocumented immigrants. Shout out to our fearless clients, including RAICES executive director Jonathan Ryan, and Bishop Ozanam Center. And thanks to our amazing allies in the #TRUSTCoalition
