Dear Jackie –

I just left a message for you, but thought I would follow up by email as well. I was calling to find if the American Immigration Council could participate in the Texas Chapter conference coming up next month. I know in the past, Ben has presented on a panel and spoken at the business meeting regarding our request for the Chapter's financial support. We'd very much welcome the opportunity to do that this year as well. I am very open to any ideas you have about the best ways to engage with your Chapter.

Please let me know if there is a good time for me to reach you today or tomorrow. Thank you!

Beth

Absolutely! We would love for you to attend the business meeting, and I'll talk to Lisa Sotelo (our conference chair) about a possible panel. I am sorry on my part for not reaching out to you before. That was my oversight. We try to remind conference chairs to invite folks from both AILA National and AIC. My afternoon is pretty packed, but how about 3:30 EST for a phone call?

Thanks for the quick response. Unfortunately, I have something at 3:30. Any chance you could talk for a few minutes at 5? If not, do you have any availability tomorrow?

Thanks for all of your help. I am now at the hearing. You were right, this Vaughn woman is awful. She is just an outright liar.

Hah! I find it so painful to sit there while she's testifying.

I emailed with Melina this morning, and she's fine sharing her update panel at the conference with me. We're going to meet at the end of the day to talk briefly about how we'll do it.

Look forward to seeing you in a few weeks!

Hi Jackie—I'm sorry we didn't get to connect last week in DC, but I'm looking forward to seeing you later this week. I'm coordinating with Bill and Melina for the Friday morning session, but I realized I wasn't sure what the schedule was for the business meeting. Will I have a few minutes to provide an update from the Council, and if so, how many minutes? Just want to plan accordingly. Thank you!
